Individual Report 2

25 October 2021

Name

Eliza Deguzman

Previous Goals

- Start considering different ethical considerations when it comes to our Q&A forum.
- Start brainstorming about the front-end wiring of the team's program.
- Remind everyone weekly about our deadlines on discord.
- Don't fall behind on deadlines!
- Keep communication open between team members.

This Week's Progress

- Mapped out front-end wiring for program.
- Presenting possible ethical considerations to the team.
- Divided up the front-end wiring evenly amongst the team then compiled it within Google slides.

This Week's Goals

- Start presenting ideas with how the UI for the website should look like so it looks clean and presentable.
- Continue constant communication with team when it comes to deadlines and tasks.
- Set reminders for the team about deadlines.
- Start brainstorming about coding and how to approach certain features.
